

Central Electric
Membership Corporation

A Touchstone Energy® Cooperative 

Your co-op is more than an energy provider

October is National Co-op Month, and Central is joining cooperatives across the U.S. to celebrate. Co-ops come in all shapes and sizes, but they each have a common goal: to provide goods or services for the members of the co-op.

Electric co-ops exist to serve their members. Our priority is to provide affordable, reliable energy to our local communities. Because we are led by you, the members we serve, we can quickly evolve to meet your needs. This October, as we celebrate Co-op Month, we're focusing on the ways "Co-ops Grow" for their members.

Co-ops Grow Communities: Co-ops help communities grow by promoting economic empowerment, fostering community engagement and supporting the unique needs of co-op members. "Concern for Community" is one of our core principles, and being community-focused is essential to everything we do.

Co-ops Grow Together: Co-ops are all about cooperation, not competition. That's why electric co-ops work together to share lessons learned, successful strategies and better ways to serve our members. We're better when we grow together!

Co-ops Grow Tomorrow's Leaders: Electric co-ops serve as fertile ground for growing tomorrow's leaders through a variety of youth engagement programs.

Whether through school demonstrations, community events or the Electric Cooperative Youth Tour program, we're committed to providing opportunities for local youth to learn and thrive in our community and beyond.

Co-ops Grow for You: Your satisfaction is our number one goal. The co-op was formed to provide superior service to our community, and we take that charge seriously.

As your needs continue to evolve, we will continue to evolve. That's the cooperative difference: YOU!
